HARROW PRIMARY SCHOOL AT A GLANCE

Nestled on a lush, 60-acre campus in Bengaluru's Devanahalli area, Harrow International School Bengaluru combines exceptional academic and recreational facilities to inspire well- rounded excellence. Opening in August 2025, the Primary School incorporates Upper Kindergarten to Grade 5, when students are typically aged 5 to 11. Our exceptional learning environment combines world-class facilities with a nurturing atmosphere that inspires our youngest learners to grow, explore, and thrive.

Our broad curriculum nurtures a love of learning through diverse experiences and expert teaching in core and specialist subjects. Situated in a separate area of the main school building, the Primary School will feature state-of-the-art classrooms, specially designed learning spaces, a library, cafeteria, and an extensive outdoor play area.

Students will also benefit from the school's wider facilities, including a 450-seater auditorium, a 50m Olympic-sized swimming pool, purpose-built science labs (for older students), a multi- purpose indoor sports hall, as well as other facilities for music, drama, dance, and art. The school also boasts a diverse international faculty, comprising highly qualified teachers who have graduated from top global universities and worked at schools around the world.

FROM THE DESK OF THE PRIMARY SCHOOL HEAD

It gives me great pleasure to welcome you to the Primary School at Harrow International School Bengaluru. As the founding Head of Primary, I am honoured to lead a school where tradition and innovation work hand in hand to nurture every child's potential. Our vision is to be a leading primary school not only in the region, but also on the world stage, rooted in the rich heritage of Harrow and guided by our values of Courage, Honour, Humility and Fellowship.

At Harrow, we believe that education is about far more than academic success alone. We strive to provide a holistic education that balances intellectual curiosity with creativity, character, and compassion. Our curriculum is designed to inspire a lifelong love of learning, developing confident, articulate, and independent young people who are ready to embrace the challenges of the future.

Our talented team of teachers bring passion and expertise into the classroom, ensuring that every child receives the personalised support and stretch they need. With small class sizes and a nurturing environment, children feel safe to take risks, ask questions, and discover their own unique strengths.

Beyond the classroom, we place great emphasis on the arts, sports, and leadership, encouraging children to explore their talents and develop resilience, teamwork, and empathy through our outstanding CCA Programme. Whether it is performing on stage, competing on the sports field, or leading a house initiative, our pupils are given countless opportunities to shine.

As we look ahead to welcoming the 2026-27 cohort, we remain committed to ensuring that every child who joins us will thrive in a happy, supportive, and ambitious community. I warmly invite you to visit us and experience the vibrancy of our school for yourself.

With best wishes,
Jack Mallon
Head of Primary School

PRIMARY SCHOOL

The Primary School at Harrow International School Bengaluru offers an enriching and nurturing environment where young learners thrive. The world-class facilities and supportive atmosphere encourage curiosity, exploration, and growth from the very start of their educational journey.

With 60% international faculty and an 7:1 student-staff ratio, students enjoy personalised attention in their home room classes and benefit from the experience of our specialist teachers in Physical Education, Dance, and Sciences. Through the Global Perspectives programme, they gain an appreciation for both local cultures and those from around the world.

Harrow recognises the importance of encouraging children to develop language skills throughout their school journey. We therefore offer a comprehensive modern foreign language programme which allows our young learners to select from lessons in Mandarin Chinese, Hindi, Spanish, French, German and Korean. Lessons are taught by native speakers, hence ensuring that all students make good progress whether beginners or advanced in their selected language.

The school's state-of-the-art facilities, including exceptional amenities for swimming and other sports, as well as our performance auditorium, science labs, and performing arts studios, foster both academic and personal growth.

THE HARROW DIFFERENCE: WHAT SETS US APART

When you choose Harrow Bengaluru, you choose not just a premier school but also a 450-year legacy of educational and co-curricular excellence. Here's what sets us apart:

World-Class Facilities

Dedicated Learning Space: The Primary School will have their own designated area on the ground floor of our main academic building, ensuring a safe and enriching environment tailored to young learners.

Outdoor Play Areas: A shaded and secure play zone fosters physical activity and social interaction.

Access to Exceptional Amenities: Young learners will benefit from shared use of our state-of-the-art sports facilities, performing arts studios, and libraries.

Personalised Attention

Student-Staff Ratio: An impressive 8:1 student-staff ratio ensures that every child receives personalised care and attention.

Experienced Faculty: With over 60% of our teachers being international, your child will be guided by a team with global expertise and a commitment to nurturing young minds.

Holistic Development

Creative Expression: Access to dedicated spaces for music, dance, and drama encourages the exploration of creative talents.

Physical Development: World class sports facilities and specialist teachers help build coordination, teamwork, and confidence.

Cultural Awareness: Participation in our Global Perspectives programme ensures a deep understanding of global and local cultures.

THE STRUCTURE OF THE SCHOOL DAY

Our Primary School offers a balanced, well-paced daily routine designed to provide both academic rigour and opportunities for creativity, sport and well-being.

- Morning Arrival (7:45 onwards): Students start arriving from 7:45 am onwards. Early arrivals may join a short yoga and stretching session to begin the day focused and calm.
- Registration & Warm-up Activities: Every morning, students participate in engaging Maths, English, and Well-being warm-ups during registration.
- Core Learning Blocks: Lessons span across English, Mathematics, Science, Humanities and Languages, with specialist teachers leading PE, Swimming, Music and Art.
- Breaks: Morning, lunch, and afternoon breaks give students time to enjoy our new playground and outdoor areas.

DAILY TIMETABLES

Timetables are tailored for each grade, ensuring each age group has an age-appropriate balance of lessons, CCAs and well-being sessions. Class teachers will share detailed timetables directly with families.

MEALS AND SNACK TIMES

Nutritious, balanced meals are provided throughout the day.

- Morning Snack: 9:30 am
- Lunch: 11:40 am – 12:40 pm
- Afternoon Snack: 2:30 pm
- Post-CCA Snack: 4:15 pm

Our menus are thoughtfully designed to encourage healthy eating habits in children and provide sustained energy for learning and other activities

CO-CURRICULAR ACTIVITIES (CCAS)

At Harrow Bengaluru, CCAs form an integral part of the Primary School experience.

- Daily Schedule: CCAs are held every day as part of their regular schedule
- Range of Options: From sports and performing arts to coding, creative clubs, and language-based CCAs such as The French Cartoon Club and Spanish Fiesta, enrich the learning experience.
- Special Opportunities: LAMDA (London Academy of Music and Dramatic Art) sessions are offered but are currently at full capacity due to limited spaces.

LANGUAGE LEARNING

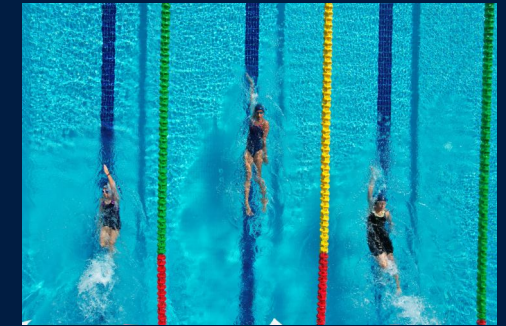

Language development forms the cornerstone of our curriculum.

- Mandarin: Compulsory for all pupils across the Primary School.
- Language Tasters (Grades 4 & 5): Pupils explore French, Spanish, German and Hindi on a rotational basis.
- CCA Language Clubs: French and Spanish clubs extend learning opportunities through fun, immersive activity-based experiences.
